

SIVUDU LLC

Your Trusted IT Staffing Partner

In today's competitive IT landscape, having the right talent is paramount to driving innovation and maintaining a competitive edge. At SIVUDU LLC, we go above and beyond to ensure that every candidate we place meets the highest standards of excellence and professionalism.

OUR COMPREHENSIVE IT STAFFING SERVICES:

- **Temporary IT Staffing:** From software developers to system administrators, our recruitment team will find highly skilled IT professionals ready to support your short-term projects and fill temporary gaps in your team.
- **Direct Hire IT Recruitment:** Finding top-tier talent for your permanent IT positions can be a daunting task. Let us take the hassle out of recruitment by sourcing, screening, and presenting you with qualified candidates who not only possess the technical expertise but also align with your company culture and values.
- **IT Contract-to-Hire:** Mitigate hiring risks and ensure a seamless fit with our contract-to-hire option. Evaluate candidates on the job before making a permanent commitment, ensuring they meet your performance expectations and seamlessly integrate into your team.
- **Specialized IT Roles:** Whether you need cybersecurity experts to safeguard your digital assets or AI specialists to drive machine learning initiatives, we specialize in recruiting for niche IT roles across various domains, ensuring you have access to the specialized talent needed to thrive in today's technology-driven world.

WHY CHOOSE SIVUDU LLC FOR YOUR IT STAFFING NEEDS?

- **Industry Expertise:** Our team of IT staffing specialists brings years of experience and in-depth knowledge of the technology landscape, allowing us to understand your unique staffing challenges and provide targeted solutions that drive results.
- **Quality Assurance:** We are committed to delivering excellence in every placement. Our customizable background verification process ensure that every candidate we present meets the highest standards of integrity, professionalism, and legal compliance.
- **Agile Solutions:** We understand that the IT industry is constantly evolving. That's why we offer flexible staffing solutions that adapt to your changing needs, allowing you to scale your team up or down quickly in response to market demands.

OUR ASSURANCES

- **WORKER'S BACKGROUND VERIFICATION:** At SIVUDU LLC, we understand that every client has unique requirements when it comes to background verification. That's why we offer a customizable verification process that can be tailored to meet the specific needs outlined in your Master Service Agreement (MSA). Our background verification services are conducted by a third-party provider accredited by the Professional Background Screening Association (PBSA).

Our verification process include:

- **Identity Verification:** We verify the identity of candidates to ensure they are who they claim to be, minimizing the risk of identity fraud and ensuring the integrity of our placements.
 - **Work Authorization Verification:** We verify the work authorization status of candidates in accordance with the guidelines set forth by the United States Citizenship and Immigration Services (USCIS), ensuring that they have the legal right to work in the USA.
 - **Criminal Background Checks:** We conduct thorough criminal background checks to verify the criminal history of candidates and ensure they meet your organization's safety and security requirements.
 - **Employment and Education Verification:** We verify the employment history and educational credentials of candidates to ensure they have the required qualifications and experience for the positions they are applying for.
- **COMPREHENSIVE INSURANCE COMPLIANCE:** At SIVUDU LLC, we understand the importance of risk management in today's business environment. That's why we take and maintain all necessary insurances, including **Worker's Compensation, General Liability Insurance, and Professional Liability Insurance**, as per the specific requirements outlined by our clients. This ensures that our operations are conducted with the highest levels of compliance and protection.
